

E.03 Bouncing Shapes

Watch the video tutorials below (by Mt. Mograph) and, based on what you've learned, create a short animation demonstrating the techniques.

[Summit 1.1](#)

[Summit 1.2](#)

.....

Size: 1920 x 1080 pixels/ H.264

Steps:

1. Watch the tutorials
2. Learn the techniques at your own pace
3. Make a short animation demonstrating what you have learned (feel free to make it look different if you like)
4. Upload to google drive for next class

Due: March 14th
